Sato.Wiki project

Together we will find out who is that Genius of the 21st century creating
Bitcoin

Sato.Wiki is not a place for hatred, abuse, discrimination, disrespect, profanity, meanness, harassment, or spam. We do not use the services to promote violence, degradation, subjugation, discrimination or hatred against individuals or groups based on race, ethnic origin, religion, disability, gender, age, veteran status, sexual orientation, or gender identity.

All the usual blah blah blah

Welcome to the Sato.Wiki web site or mobile application (as the case may be). This platform is operated by the Group of Blockchain enthusiasts and has been created to provide information about our company, product and ideas. Our online platform is designed for use as a fundraising campaign to accept crypto currency donations and to offer our related services to our service users and visitors – to you.

Who we're not

We are not a broker, financial institution, charitable institution, credit institution, creditor, credit intermediary, insurance company, insurance intermediary, fund management company, investment and pension fund, investment firm, issuer of securities, e-money institution, payment service provider, an SME, nor considered as a qualified investor.

Who we are – 100% utility based token

We are a privately held and a donation-based crowdfunding organization and Sato.Wiki is administrative platform used solely for fundraising for the world's first proof-driven wiki platform.

For any crypto penny received we will give back “Utility” driven token which will be used only for the purpose of boosting posts, voting, and proofing internal platform activities. Also, this utility based token will be used for rewarding out most active users for solving exercises.

Sato.Wiki facilitates the donation transaction. The platform allows anyone to make a donation towards the finding who is real Satoshi and cretaing the first decentralized proof-driven wiki platform.

Who you can be

You can become a messenger and participant of Sato.Wiki.

To finance this project we are using the financial plan that is based on the idea of spreading idea around the globe. Every person can share an idea and invite others to register and donate (buy tokens). Every messenger earns a commission fee from any penny of his followers. There are no limitations. Every person can attract an infinite number of followers.

Why are we saying this

At the moment of first payment, or registration on the platform's user system, you become a services user and therefore agree to Sato.Wiki terms and conditions. When using Sato.Wiki platform, you will be subject to any additional terms applicable to such services that may be posted on the homepage from time to time, including, without limitation, the Sato.Wiki privacy policy and Sato.Wiki guarantee policy. All such terms are hereby incorporated by reference to these terms (provided, however, that such other terms may be modified in accordance with their terms and, with respect to the use of the services, these terms and conditions will take precedence in the event of conflict).

About agreeing to buy tokens (donate).

Every user buying any token willingly and in good faith, thus affirming their belief in the Sato.Wiki idea. You acknowledge that your participation in the project is voluntary and that you will not receive financial compensation, returns or refunds if the project is not successful.

The sum required for the Sato.Wiki platform creation is estimated approximately. The total estimate is around 3 million dollars. We do not guarantee that the project will obtain a certain amount of donations or any donations at all.

What if we succeeded

If the project succeeds, the required money will be collected, the Sato.Wiki platform will be built. We do not guarantee that we will find who is Satoshi at all. Every user understands, that we can fail and not succeed.

It's a long term run

Any penny paid is the Users choice. By making any payment (donation), the user agrees that, in case they discontinue their participation in the project during the duration of the agreement, the sum of the payments already done will not be returned to the user.

About every Crypto coins and dollars

From every dollars or crypto coins donated by the users, 45% of funds will be directed to the Sato.Wiki fund (these funds will be used towards the creation of the Sato.Wiki, and all related expenses), 55% of funds will be directed to the Sato.Wiki affiliate program (these funds will be will be given back to Sato.Wiki messengers).

What if we fail

In case the Sato.Wiki platform is not created by February 20, 2019 the collected funds are not refunded and if something is left will be directed towards charity.

Account registration and use

By making the first payment (donation), the service user is automatically registered as a user of the platform and receives a temporary password to users registered email address.

Everyone can become a registered user of the platform – no donation is required. Registration can be completed on the My account section on the platform. Users under 18 years of age are not eligible to use the services without parental consent.

If you choose to register as a services user, you agree to provide and maintain true, accurate, current and complete information about yourself as prompted by the registration form. You must register using your true identity, including your name. By registering, the user confirms the validity of the

provided data and takes full responsibility for their accuracy. Sato.Wiki is not responsible for the validity of any information given or otherwise provided by the user.

All information submitted in connection with a user account on the platform must be accurate and truthful. Users agree to notify Sato.Wiki immediately if their user account has been used without authorization or if there has been any other breach of security of the user account. Each user also agrees to provide additional information that Sato.Wiki may reasonably request and to fully and truthfully answer any questions Sato.Wiki might ask the user in order to verify such user's identity. Registration data and certain other information about the user are governed by our Privacy policy.

The user can access their user account by accessing the My account section of the platform. The user has the responsibility to not divulge their access data to any third party. You are responsible for maintaining the confidentiality of your password and account, if any. You are fully responsible for any and all activities that occur through the use of your account or password. You agree to immediately notify Sato.Wiki of any unauthorized use of your password or account or any other breach of security, and ensure that you will sign out from your account at the end of each session when accessing the services. Sato.Wiki will not be liable for any loss or damage arising from your failure to comply with this section.

On user profile, the user can view their unique link, manage the financial funds they have gained through the project, manage their followers and become a project messenger.

- Login to your Sato.Wiki account and spread your unique link through social media.
- You'll get paid for every crypto penny your friend donates for a Sato.Wiki
- Withdraw money to crypto account.

Inviting friends

Every user can become a project messenger and gain financial revenue from the project. Crypto profits can be made by inviting others.

For additional information please see the document: **Affiliate program for agents**

Crypto Money withdrawal

The user can manage the crypto funds they have gained during the project on their user profile. These funds can be transferred to their crypto account form on the Withdraw section of their user profile. The minimum amount that can be transferred to the user's bank account is 20 dollars. The commission fees, gas payments of this transfer are paid by the user.

Sato.Wiki is responsible for transferring the requested revenue to the user's crypto account within 10 working days from the time of receiving the request of withdraw. The users who, after registering on the platform and becoming messengers, have not made a donation, can transfer their earnings to their crypto account only after they have completed the donation for the amount of months that correspond to their time as an active user. To transfer the crypto money to their

bank account, the messenger has to make a donation for each month since the registration of their first follower.

Permission to send emails

By making a crypto payment (donation), or registering, the user is asked to indicate an email address. The user agrees to receive news and other project-related information at the email address. If the user has registered through social networks, the information is sent to the email address provided by the corresponding social network.

Use of personal data

By making a donation, the user agrees that their personal data is included in the Sato.Wiki data base. Sato.Wiki has the responsibility to not divulge any of the user's personal data to a third party, with the exception of ensuring a successful payment transaction and cases where the user has agreed to the publication of their personal data.

Taxes and responsibility

Sato.Wiki does not hire, employ or create any other bonds of employment with the project messengers. Sato.Wiki only conducts the administration of the donation-based crowdfunding project, ensuring its realization and providing the service user with a user profile used to further the project idea and attract followers.

Every user is fully responsible for any information included in their user profile, as well as any information they send out to others. The user accepts full responsibility for the consequences of publishing and delivery of this information.

You agree that you are solely responsible for your interactions with any other user in connection with the services and Sato.Wiki will have no liability or responsibility with respect thereto. Sato.Wiki reserves the right, but has no obligation, to become involved in any way with disputes between you and any other user of the services.

The service user, who has become a messenger, undertakes full responsibility for the legalization of the financial funds they have gained during the project. The user, who has become an agent, has to register as a taxpayer, in accordance with the normative acts of their respective country. The service user is personally responsible for the payment of taxes for the funds they have gained from the project.

Fake profiles and frauds

In cases where the service user is suspected of creating false user profiles, participation in fraud or endangerment, Sato.Wiki reserves the right to, without prior notice, exclude service users from further participation, and to limit or deny their access to their user profile, for a limited time, or permanently (including access from particular IP addresses), without explaining the reasons for exclusion. If the service user has had their access limited or denied, or if this user account or profile information has been deleted, then the service user is not subject to any refunds or payments. In

any case arising, Sato.Wiki reserves the right to refuse use of the services to anyone and to reject, cancel, interrupt, remove or suspend any user of services at any time for any reason without liability.

You agree that Sato.Wiki, in its sole discretion, may suspend or terminate your account (or any part thereof) or use of the services and remove and discard any content within the services under reasonable circumstances, including, without limitation, for lack of use or if Sato.Wiki believes that you have violated or acted inconsistently with the letter or spirit of these terms and conditions. Any suspected fraudulent, abusive or illegal activity that may be grounds for termination of your use of services, may be referred to appropriate law enforcement authorities. You agree that any termination of your access to the services under any provision of these terms of service may be effected without prior notice, and acknowledge and agree that Sato.Wiki may immediately deactivate or delete your account and all related information and files in your account and/or bar any further access to such files or the services where such deactivation or deletion is permitted under these terms of service. Further, you agree that Sato.Wiki will not be liable to you or any third party for any termination of your access to the services.

Other rules

These terms and conditions constitute the entire agreement between you and Sato.Wiki and govern your use of the services, superseding any prior agreements between you and Sato.Wiki with respect to the services. You also may be subject to additional terms and conditions that may apply when you use affiliate or third-party services, third-party content or third-party software.

Your use of the service is at your sole risk. Sato.Wiki and its services users make no warranty or condition that the aquarium will meet your requirements, the service will be uninterrupted, timely, secure or error-free, or that the quality of the aquarium will meet your expectations.

The service user clearly understands and agrees that neither Sato.Wiki nor the service users are responsible for any direct or indirect, incidental or intentional damages to the non-acquired profit for the duration of the project.

You acknowledge and agree that any questions, comments, suggestions, ideas, feedback or other information about the services (submissions), provided by you to Sato.Wiki are non-confidential and Sato.Wiki will be entitled to the unrestricted use and dissemination of these submissions for any purpose, commercial or otherwise, without acknowledgment or compensation to you.

Sato.Wiki is not a place for hatred, abuse, discrimination, disrespect, profanity, meanness, harassment, or spam. Do not use the services to promote violence, degradation, subjugation, discrimination or hatred against individuals or groups based on race, ethnic origin, religion, disability, gender, age, veteran status, sexual orientation, or gender identity; post images or videos that are sexually explicit or post links to sites that contain sexually explicit material or show people or animals being hurt or degraded; spam the comments sections or other users with unsolicited or unauthorized offers of goods and services, advertising, promotional material, junk mail, spam or chain letters, or inappropriate messages; engage in any activity that interferes with or disrupts the proper working of the Services or any activities conducted on the platform; run any form of auto-responder or spam on the platform.

Do not use manual or automated software, devices, or other processes to crawl or spider any page of the site, take any action that imposes, in Sato.Wiki's sole discretion, an unreasonable load on

Sato.Wiki's infrastructure, or represent products created by others as your own creation, or act as a reseller of others' product.

All of the intellectual property rights to the website platform belong solely to Sato.Wiki. In case these rights are breached, the guilty party shall be prosecuted in accordance with the normative acts, and is likewise fully responsible for all of the losses that have affected or might affect Sato.Wiki.

At Sato.Wiki, we respect the privacy of our users. For details please see our Privacy Policy. By using the services, you consent to our collection and use of personal data as outlined therein.

All disputes between Sato.Wiki and the service users are resolved through negotiations. If any disagreements or arguments between Sato.Wiki and the service user are not resolved through negotiations within 30 days after the submission of a written notice, the disagreements are dealt with in the order mandated by the judicial acts in accordance by Estonian law.

Questions or comments regarding the project and Sato.Wiki can be submitted by email to info@sato.wiki or via the contact form.
